Note:

1. The CIAA reserves the right to reject banners which may be offensive, distasteful or inflammatory. A preview must be submitted with completed application.
2. Due to the windy conditions, we recommend that your banner is made with holes/slits so that air can pass through and prevent tearing. If this is not desired, we will install at your risk as damage does not frequently occur.
3. Please arrange for the banner/(s) to be delivered to Beacon House, 88C Owen Roberts Drive, at least two days prior to the desired installation date. You will be notified when the banner is ready for collection at this same location and once contacted, please make arrangements to collect banner/s within three (3) business days. After this time, any uncollected banners will be discarded.
4. There are only three banner spaces available at any one time and dates requested may not be available. Cheques should be made payable to Cayman Islands Airports Authority and should be delivered with the banner/(s).
